Why visit The Alzheimer's Show

The Alzheimer's Show is the UK's leading event for dementia with practical advice, information, products and services to help those caring for and affected by Alzheimer's, dementia and memory loss.

This two day exhibition and conference features practical workshops, informative presentations, talks, Q&A's with dementia experts, professional advice clinics and a wide range of dementia and care specialists all under one roof.

The Alzheimer's Show is an unmissable event for those who want a better understanding of dementia, the challenges it can bring and help and advice for the future.

At the show

- Discover new ideas and practical tools to help with everyday tasks
- Listen to informative talks and demonstrations designed with you in mind
- Get helpful tips and jargon-free advice from the UK's top specialists
- Book appointments with Admiral Nurses and Dementia Advisors in free 1-2-1 clinics
- Have friendly chats with people who understand what you're going through

"My family, including my father, found the day extremely constructive, positive and helpful."
